Yes, please give me a call. Thanks, David

Sent from my BlackBerry 10 smartphone on the Verizon Wireless 4G LTE network.

David:

It looks like Steve may not make the telephone call, but because of the subject importance I think we should still talk. If it still works for you, I will call you at 10:00 am. I hope we can discuss the level of detail required in the aquifer exemption application to EPA.

Thanks,

Rob
